Bigfork Summer Playhouse

BACK BY POPULAR DEMAND... Annual BSP Benefit Revue • Hits from the 50's, 60's & 70's

Thanks for supporting BSP!

Each purchased ticket not only covers the playhouse's larger expenses (company member salaries, show royalties, rental of the theater facility, sets, costumes, props, advertising, insurance, and taxes), but also funds upgrades to equipment, shop facilities, and living spaces. Additional support and financial assistance through our "Friends of the Playhouse" fund has helped BSP continue the tradition of bringing professional live theatre to Bigfork for all ages and families to enjoy in the summer. Thanks for 60 years of continued support!

*** ADDITIONAL \$1 PER TICKET FEE ***

Each season, our patrons are charged a mandatory \$1 fee per ticket sold by the Foundation (BCPAF) who owns the Bigfork Center for the Performing Arts. This fee is out of our control but is intended to help fund the maintenance of the building and equipment. We apologize for the inconvenience.

NEWSIES (PG)

New York City, 1899. Jack Kelly and his ragtag team of newsboys make a meager living selling newspapers on the city streets. But when the prices of "papes" are hiked and the newsies are hung out to dry, there is nothing left to do but "open the gates and seize the

day!" Led by charismatic Jack and independent, young newspaper reporter Katherine Plummer, the Newsies form a union and organize a strike against the greedy publisher of the New York World. Can a group of idealistic newsboys win against a foe as powerful as

acclaimed publisher Joseph Pulitzer? Inspired by the true story of the 1899 Newsboys Strike, Newsies is an ebullient, joyful, and entertaining musical capturing the strength that young people have when they join together and stand up against injustice. With a funny, poignant book by Harvey Feirstein and stunning music by Alan Menken and Jack Feldman—including the show-stopping *Seize the Day—Newsies* is a classic with the power to inspire.

Songs include: *Santa Fe, Carrying The Banner, Watch* What Happens, Seize the Day, and more.

HITS FROM THE 50's. 60's & 70's (G)

The 50's, 60's & 70's were 3 decades of some of the finest Rock and Roll music! Enjoy an evening of staged hits from artists like The Spaniels, Roy Orbison, Elvis Presley, Chubby Checker, The Beatles,

Billy Ioel, and more as the Bigfork Summer Playhouse brings you the Hits From The 50's, 60's and 70's, live onstage!

Different than last year's lineup... and more fun!

SOMETHING ROTTEN (PG-13)

Welcome to the Renaissance! Set in the 1590's, where the Black Plague has ceded power to the Puritans, farthingales and codpieces are the latest fashion trend,

and the biggest "Rockstar" celebrity in England is a playwright named William Shakespeare (also known as "The Bard"). In the midst of all this excitement, brothers Nick and Nigel Bottom are trying to keep their acting company afloat. In a desperate attempt to out-Bard

the Bard, Nick consults with a soothsayer, who informs him that the future of theatre involves acting, singing, and dancing—sometimes all at once! As the Bottom brothers strive to write the world's very first "musical", they find themselves caught in a bitter battle with the Bard and the play's the thing. Something Rotten! is a hysterical, joyous celebration of everything you love about Broadway and entertainment.

Songs include: *Welcome to the Renaissance, God I Hate* Shakespeare, Right Hand Man, Hard To Be The Bard, To Thine Own Self, and more.

THE HUNCHBACK OF NOTRE DAMF(PG-13)

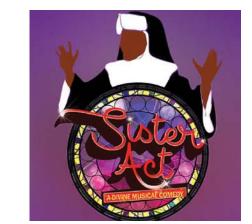

What makes a monster and what makes a man? This is the central theme of *The Hunchback of Notre Dame*, a sweeping, grand-scale musical from Disney Theatrical. Based on the 1996 Disney film and Victor Hugo's 1831 novel, The Hunchback of Notre Dame tells the story of Quasimodo, the hunchbacked bell-ringer of Notre Dame, and his desire to one day be a part of the outside

world. When he summons the courage to attend the Feast of Fools, he meets Esmeralda, a compassionate gypsy who protects him from an angry mob. But at the same time, Ouasimodo's master, the archdeacon Dom Claude Frollo, and the new captain of the guard, Phoebus de Martin, fall in love with

the beautiful girl. Adding to Quasimodo's struggle is his punishment and derision from Frollo, following years of psychological abuse, and the danger posed by the gypsies, who are willing to kill any outsiders who venture into their secret hideout. But before Paris is burned to the ground, will Quasimodo be able to save Esmeralda from Frollo's lust and anger? Will she return Ouasimodo's affection? Who is the true monster of Notre Dame?

Songs include: *Out There, Topsy Turvy, God Help The* Outcasts, Heaven's Light, Made of Stone, and more.

SISTED ACT (PG-13)

Based on the 1992 film of the same name, Sister Act tells the story of aspiring disco diva Deloris Van Cartier. Trying to work her way to the top in 1970s Philadelphia, Deloris falls in love with a very tough—and very married—gangster named Curtis, and when Deloris witnesses him commit a murder she ends up hiding on police orders in a convent, whose parish has fallen on hard times. Though the sequin-free lifestyle doesn't agree with her, Deloris finds her calling working with the choir, and breathes new life into the dusty convent while discovering a sisterhood she's never had before.

Songs include: *Take Me To Heaven, The Perfect Place, It's Good To Be a Nun,* I Could Be That Guy, The Life I Never Led, Sister Act, and more.
