## **Crazy For You (PG)**

Our Tap dancing extravaganza! A zany rich-boy-meets-hometown-girl romantic comedy, *Crazy For You*® tells the story of young New York banker Bobby Child, who is sent to Deadrock, Nevada, to foreclose on a rundown theatre. In Deadrock, Bobby falls for spunky Polly Baker, the theatre owner's daughter. But Polly takes an instant dislike to the city slicker, so Bobby vows – through cunning, razzmatazz, and a hilarious case of mistaken identity – to win Polly's heart and save the theatre. Some of the most memorable Gershwin tunes.

## **Beauty & The Beast (G)**

Based on the smash hit 1991 Disney movie, *Beauty and the Beast* tells the story of Belle, a beautiful and intelligent young woman who feels out of place in her provincial French village. When her father is imprisoned in a mysterious castle, Belle's attempt to rescue him leads to her capture by the Beast, a grisly and fearsome monster, who was long ago trapped in his gruesome form by an enchantress. The only way for the Beast to become human once again is if he learns to love and be loved in return.

## **Footloose (PG-13)**

*Footloose* is the story of Ren McCormack, a teenage boy from Chicago. He and his mother move to the small town of Bomont after his father abandons them. Upon arriving, Ren finds himself at odds with most of the town, including the Reverend of Bomont. The Reverend has convinced the town to outlaw dancing, which Ren finds unbelievable. With the help of Ariel (the Reverend's daughter) and Willard (a country hick who becomes his best friend), Ren convinces the Reverend to let the teenagers dance, and in the process helps the town to heal from a tragedy that affected them all.

## **Legally Blonde (PG-14)**

A fabulously fun award-winning musical based on the adored movie, *Legally Blonde The Musical*, follows the transformation of Elle Woods as she tackles stereotypes and scandal in pursuit of her dreams. Action-packed and exploding with memorable songs and dynamic dances – this musical is so much fun, it should be illegal! Elle Woods appears to have it all. Her life is turned upside down when her boyfriend, Warner, dumps her so he can attend Harvard Law. Determined to get him back, Elle ingeniously charms her way into the prestigious law school. While there, she struggles with peers, professors and her ex. With the support of some new friends, though, Elle quickly realizes her potential and sets out to prove herself to the world.
